PETITION TO REVIVE UNDER 37 CFR 1.137(f) and (b)

Applicants request the revival of the above-identified application which was abandoned per 35 U.S.C. 122(b)(2)(B)(iii) for failure to timely notify the Office of the filing of a PCT application. More specifically, a Non-Publication Request was filed on July 11, 2001 and a PCT application was filed on July 8, 2002 without timely filing a rescission of the previously filed Non-Publication Request. A Notice of Allowance was mailed on April 14, 2003 and the issue fee was paid on July 9, 2003. After payment of the issue fee, it was discovered that the application was subject to automatic abandonment per 35 U.S.C. 122(b)(2)(B)(iii).

This Petition is accompanied by:

(1) Rescission of Previous Nonpublication Request filed to meet the requirements of 37 CFR 1.137(c) in accordance with 37 CFR 1.137(f).

(2) The petition fee set forth in 37 CFR 1.17(m).

(4) Applicants submit that the entire delay in filing the required Rescission of Previous Nonpublication Request from the due date until the filing of the present petition was unintentional.

(5) A terminal disclaimer does not accompany this Petition as 37 CFR 1.137(d) states that such disclaimer is required if the application in question is a utility application filed before June 8, 1995. The present application was filed on July 11, 2001.
